## Mazel tov to Ethan Schachar on his bar mitzvah.

Mazel tov and welcome to the family and guests who have joined for Shabbos in honor of the occasion.

Kiddush is sponsored by the Schachar family.

You are invited to a "State of the Union" meeting for Lev Yisrael members, to be held on February 1st at 8:00 p.m.  
Hope to see you there!

## The Cholent Challenge is almost here!

For those unfamiliar, for a few weeks in February, the weekly kiddush is transformed into an arena of nail-biting competition. Each week, three or four contestants make cholent for kiddush, and we all vote for the best one. Then, the winners of each week face off in a championship round, determining the Lev Yisrael Cholent Champion of 2026, who will dethrone the Wortendyke family!

The winner receives a trophy and eternal recognition on the cholent champions plaque, which will one day be put up again on an undisclosed wall in the shul.

Please speak to President Lubin if you're interested in competing. First-time contestants will be prioritized.

Thank you to the Cajas, Pincus and Gurman families for sponsoring the beautiful new kiddush levana cards!

Thank you to the Nevin family for sponsoring the children's learning program this week.
